#### 5. Capacity and representation at time of completion

Does the person have sufficient capacity to participate in making the recommendations on this plan?

Yes / No

Do they have a legal proxy (e.g. welfare attorney, person with parental responsibility) who can participate on their behalf in making the recommendations?

Yes / No / Unknown
If so, document details in emergency contact section below

#### 6. Involvement in making this plan

The clinician(s) signing this plan is/are confirming that these recommendations have (circle at least one):

- A been recorded after discussion involving this person, who has sufficient mental capacity to participate in making relevant decisions
- **B** where appropriate, been discussed with a person holding parental responsibility
- c in the case of a person who does not have sufficient mental capacity to participate in relevant decision-making, been made in accordance with capacity law
- **D** been made without involving the patient (or best interests/overall benefit meeting if the patient lacks capacity)

| If D | has been | circled, | state valid | reasons h | nere. Doci | ıment full | explana | tion ir | n the | clinical | record |
